Instant Pop Up Canopy Tent with Detachable Sidewalls & Mesh WindowsCreate your private outdoor shelter within minutes.

Built with robust metal frame for reliable stability against wind. Premium waterproof & UV-resistant oxford fabric shields you from harsh sunlight and sudden light rain.

Comes with removable full side panels and breathable mesh windows. Enjoy great airflow, natural light and insect protection while keeping privacy.

Flexible configuration: install partial or full sidewalls to fit different scenarios. Quick setup & easy fold down, packed into a carry bag for convenient transport.Ideal for trade show booths, farmers markets, outdoor events, backyard gatherings, camping and pop-up retail.

Custom logo printing & multiple color options available for business branding
